KERMIT & MISS PIGGY TAKE TO THE HIGH SEAS

HAD A GREAT TIME DOING THE MOVIE," says Kermit the Frog of *Muppet Treasure Island*, The Muppets' riotous take on Robert Louis Stevenson. "I

played Captain Abraham Smollet, the skipper of the *Hispaniola*—and a dashing heroic captain who must defend his good ship and crew from treasure-hungry pirates. I tried to play him the way Stevenson wrote him in his book—only I never found any mention that Smollet was a frog. That's the one liberty I took with my part. This was the first real action adventure epic that I've been in, and I didn't realize how many of my own stunts I would have to do. It's tough to find a three-foot tall green stuntman." One liberty director Brian Henson and The Muppets did take with the Stevenson classic was with the character of Benjamin Gunn. Ben Gunn is now Benjamin—and that's Miss to you. "Mo's character is complex," says the divine Miss Piggy.

"Benjamin Gunn is a beautiful—correction—devastatingly

beautiful pig who has been marooned on the island. Although *moi's* screen time is far below that of the average superstar, *moi* makes every moment count. The movie is wonderful. There would only have been one way to make it better—more of *moi*!

Tom and Huck

JONATHAN TAYLOR THOMAS & BRAD RENFRO PLAY "TRUE BLUE KIDS"

WAS ESPECIALLY EXCITED ABOUT DOING THIS FILM," says Jonathan Taylor Thomas of his role as Tom Sawyer in **Tom and Huck**, based on Mark Twain's novel *The Adventures of Tom Sawyer*, one of the classic buddy stories of all time. "Tom has all the qualities that I look for in a friend. He's got leadership abilities! He can always be counted on. He loves adventure and excitement. But at the same time he has a good

heart and knows right from wrong." Playing Tom Sawyer's sidekick Huck Finn is Brad Renfro (who made his silver-screen debut in "The Client.") "Tom is very willful," Renfro says, "whereas my character, Huck is a little crazy. But they're perfect together—like Laurel & Hardy." Adds Thomas, "The relationship between Tom Sawyer and Huck Finn is really extraordinary. They both depend on each other a lot. And I think the spirit of the real boy in Tom Sawyer and Huck Finn is very much alive in today's kids. And that's why I think today's kids relate to the story. Because deep down, kids are the same no matter what era they live in. There will always be the kind of spirit that Tom and Huck represent. They're just true blue kids."
